Dear Eisenhower Parents,

Next week, all of our third grade students will be taking the State mandated IREAD test. Eisenhower School will be testing on Tuesday morning and afternoon. This is the test you have been hearing about that the State requires each third grader to pass in order to be promoted to fourth grade. I have absolutely no doubt that our teachers have prepared our students well for this reading test. We are all looking forward to confidently completing it this coming week as we continue to move through our grade level standards for the remainder of the school year. In the event we need to complete any make-up IREAD tests, they must be completed by Friday, March 17th of next week. Any student who would happen to miss school and not take the test during this five day window, unfortunately will not pass the test and must re-take it during the summer window following any necessary remediation and/or summer school. The teachers and I know and truly appreciate how hard all of our parents work to insure our students get here on time, well rested, and ready to show what they know! Thank you so much for your continued support. We should receive the IREAD results sometime in April.

St. Patrick’s Day in CP will be a big day for Eisenhower School. A record 41 students and one parent, along with our entire Eisenhower family, have raised a ton of money so far to benefit St. Baldrick’s mission to eliminate all childhood cancers. We have raised over $15,000.00 so far and hope to ultimately take away the winning community trophy. We have much to be proud of at Ike. A special thank you goes out to Mrs. Dusseau and all the parents and students who helped to coordinate this effort. St. Patrick’s Day will be a very proud day for Eisenhower School. Stop by Crown Point High School (NEW LOCATION) around 4:30 p.m. to cheer on our team. Check out the St. Baldrick’s website: https://www.stbaldricks.org/search?search-term=Eisenhower%20Bald%20Eagles&type=a Pictures and an update to follow next week!
