

Preschool is coming to CPCSC!

Imagine a preschool where curiosity is always the right answer. Where hands get messy and discovery abounds. Where children learn together by playing together.

Bulldog Buddies is a Crown Point Community School Corporation preschool program for children ages 3-5. Using play-based, experiential learning and the guidelines of Indiana's Early Learning Foundations Framework, children become lifelong learners while cultivating friendships in an inclusive environment. A child-centered approach to learning supports children's cognitive, social/emotional, and physical development.

Online pre-registration is now open for families who have interest in preschool for the 2021-2022 school year. Bulldog Buddies is available for families who:

- Have a child between the ages of 3-5 (must be 3 before August 1, 2021)
- Live within CPCSC boundaries

To pre-register or to find more information about Bulldog Buddies, including program info, fees, and FAQs, visit
