### **WHY I AM A TEACHER:**

“ I really have always enjoyed working with kids.

I started with coaching and then remembered back to a social studies teacher I had and what he meant to me. I thought I could reach some kids the way he reached me.”

*“Teachers provide a foundation for life as we know it. Without them there would be no doctors, police officers, authors, scientists, engineers...virtually every vocation. We appreciate and acknowledge their commitment to making our world a better place.”*
